A CENTURY OF PASSION

BY

C. W. GURNER.

"This is a rendering into English verse of the "Sringarasatakam" of the Sanscrit poet BHARTRIHARI. In the introduction Mr. Gurner discusses the personality of Bhartihari; Sanscrit love verse; Imagery in Sanscrit poetry; and Conventional ideas in Sanscrit literature.

"The "Sringarasatakam", or "A Century of Passion", is divided into five parts, viz: I. The Laud of Woman; II. Love Realised; III. Reproach of Woman; IV. Freedom and Bondage; V. The Seasons. The whole is delightfully piquant.

FOR PRINCES and RICH MEN ONLY

THE ROYAL YAKUTI.

Registered in A. D. 1907 (No. 231).

THIS Yakuti or life-giving nectar has been prepared from the best, choicest and richest vegetable drugs. It has wonderful properties of increasing virile power and it rectifies urinary disorders. In fact it makes man a man. This valuable medicine is used in large quantities not only by our Rajas, Maharajas, Nawabs and many of the nobility, aristocracy and gentry in this Country, but it is greatly patronized by people in all countries of Europe, America, Asia and Africa. It is needless to expatiate upon the magical qualities of this our invaluable medicine. We recommend it especially to those persons who desire to tone the nervous system, to strengthen the body, refresh the memory, and to guard against debility. Suffice it to say that the use of this medicine is recommended to those who have any faith in the Ayurvedic medicines. It works like a charm and the effect is lasting. It replaces lost power and rejuvenates the emaciated and it is enough to say that musk is not that which a perfumer admires. It is that which diffuses fragrance of its own accord. Price per tin containing 40 pills, Rs. ten only. These pills do not contain any harmful drug and we have received the best certificate from the Government Analyser upon the analysis of this medicine in the Bombay Government Laboratory.

Enquiries through British Merchants only.

Looking East—

For supplies of tropical or Indian medicinal herbs it would be convenient for you to direct your enquiries to us for regular supplies of herbs, rare or in common use, in large or small quantities. Our first consideration has been Quality in 1878 when we started and till to-day when that has been attained, does the matter of price come in.

We have for sale medicines like Makaradhwaja prepared in accordance with the recipes found in ancient books that date back to the time of the Vedas. The efficacy of Makaradhwaja depends on its preparation and, as such, a trial dose of Makaradhwaja prepared by us will prove its immeasurable superiority over the others.

We are publishers too of Charaka and Sushruta Samhita—the original books in Sanskrit, works in Indian Medicine by great men of old who flourished about five or six hundred years before the beginning of the Christian era.

We invite enquiries.

GOOD HEALTH

THE DOMINANT FACTOR IN LIFE AND YOUR GREATEST ASSET.

No man can afford to ignore the clearly defined hygienic principles that are the outcome of Modern Science, and Microscopic Research ; or to overlook the simple and eminently practical measures, now in use, for stamping out Preventable Diseases.

The whole tendency of science is to pass from vague ideas to concrete facts, and it is now abundantly clear that the old foolish belief that an immovable shed thrown together at some isolated distant spot, over a deep pit, was a sanitary measure good enough for Estate Lines, Bungalows, Bazaars, etc., has been exploded.

The invention known as Dudley's Portable

Latrines is a positive fact, which amongst other advantages, has solved the deep pit and mosquito trouble, makes use of Sun-light, Nitrifying Bacteria, and the Four Winds of Heaven, and thus enables them to be used close to any buildings.

You owe it to yourself as well as others, to see that your Servants are supplied with proper sanitary conveniences, as well as your Estate Labourers, and Caddy Keepers. Have you considered your bungalow surroundings? A two compartment Dudley's Portable Latrine is an essential factor; and surely **A SOUND INVESTMENT?**
